

## Over 6,000 members shared their views in the RAC Opinion survey in August

### Household conversations

What are members talking about at home?

### More discussion this month about:

#### Middle East conflict

The humanitarian crisis in Gaza is a major concern for many members.

#### Weather/storms

14% of members reported that they suffered property damage in the recent storms.

#### Health

The cold/flu season has had an impact on many WA households.

### Topical issues

What do members think about these issues?

#### Road rules

Members told us which road rules they find the most confusing or those which they often see not being followed correctly.

##### On Perth roads:

- » Roundabouts
- » Merging
- » Indicating

##### On regional roads:

- » Overtaking and passing
- » Speeding
- » Tailgating

"A huge number of drivers leaving a roundabout do not indicate correctly."

"People don't know how to drive around heavy vehicles."

"I think our merging is the worst and no ones uses their indicators anymore."

#### Did you know?

- » For 58% of members, **overcrowding** is a major consideration when planning holidays, with many avoiding school holidays and peak season for travel.
- » **Social media** is the main source of information about events and things to do in WA.
- » While many members prefer DIY to manage any **home repairs**, over half of all members have used the services of an electrician or plumber in the last 2 years.
- » 7 in every 10 members support an **AFL team**, with the Eagles and Dockers being the most popular. 6% closely support both WA teams!
