Cost of living

For the second consecutive month, there's been a spike in discussion about the cost-of-living, with many budgeting for the upcoming holiday period.

Christmas

Many members are looking forward to Christmas, with plans being made to see family and/or travel.

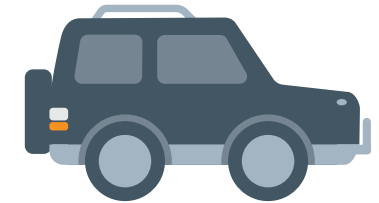

Car maintenance

Most members (71%) use a qualified mechanic for all of their car maintenance needs.

However some members prefer to conduct the following tasks themselves (DIY):

- » Oil and fluid changes
- » Tyre pressure monitoring
- » Minor cosmetic repairs

Car park spaces

7 in every 10 members don't think that car parking bay sizes are adequate for vehicles commonly used in WA. Most members would like to see an increase in the size of parking bays to accommodate larger vehicles such as SUVs.

Over 90% of members have noticed an increase in larger vehicles on our roads in recent years, with nearly 1 in every 2 members feeling that it's becoming a problem.

What we love about summer

We asked members about their ideal summer's day. This is what we love doing the most:

- » Beach activities - swimming, snorkelling and relaxing.

- » Outdoor dining - parks, barbecues and beaches are particularly popular.

- » Family time - the opportunity to relax and spend time with family
