Household conversations

What are members talking about at home?

Cost of living / Fuel prices

The proportion of households discussing the cost-of-living has increased to a record high, driven by concerns about rising fuel prices.

“Putting off holidays due to petrol prices.”

Middle East conflict

The escalating conflict in the Middle East is a major concern, with members worried about the impact on the global economy, travel plans and friends/family in the region.

“What is now happening in the Middle East and how it will continue to affect Australia in so many ways.”

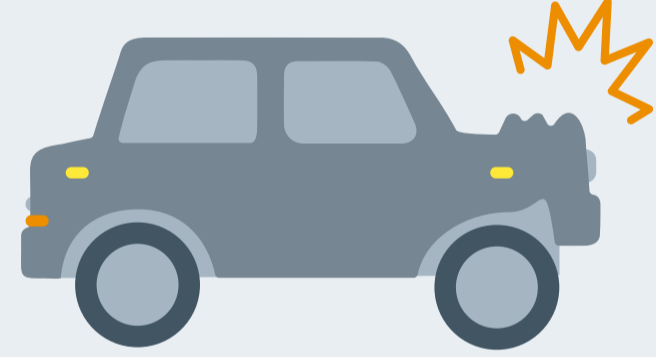

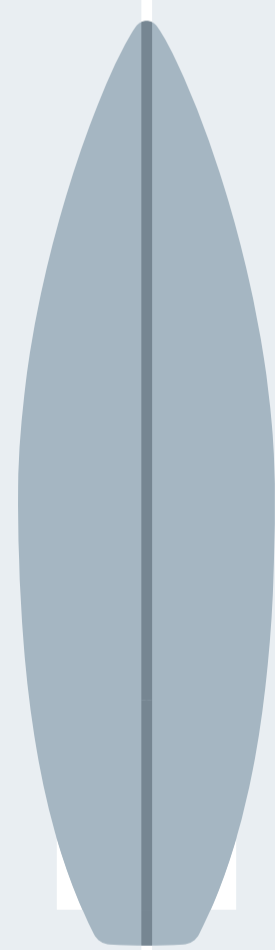

Topical issues

What do members think about these issues?

Perth Surf Park

57% of members have heard of the Surf Park being constructed in Perth, but only around 1 in 10 members know that RAC is a major investor.

Nearly 1 in every 3 members plan to visit the Surf Park in the future. Those planning to visit are particularly excited about the benefits of surfing perfect waves in a safe, controlled environment.

Car Crash Response

Only around **3 in every 10 members** feel very confident that they'd know what to do if they witnessed a car crash. The most common actions they would take include:

- » Contacting emergency services
- » Rendering first aid if required
- » Providing witness information to the police
