 - (ii) until RACF has received, in a form satisfactory to RACF, all documents and information necessary for RACF to register the Security, including a Financing Statement or Financing Change Statement.
- (b) If the Debtor has not:
 - (i) satisfied the pre-conditions; or
 - (ii) drawn down any part of the Loan, within 28 days from the date the Debtor signed this Contract, then the Debtor or RACF may end this Contract by giving the other party notice, and this Contract will end immediately on the receipt by the other of such notice.

3. The Loan

- (a) The Debtor authorises and directs RACF to pay the Amount of Credit in the manner specified in the Schedule.
- (b) RACF will debit the Loan to the Debtor's Account on the date the Loan is drawn down.

4. Interest Charges

How is interest calculated?

- (a) The Debtor must pay RACF interest on the Account Balance at the Annual Percentage Rate set out in the Schedule.
- (b) The Annual Percentage Rate is fixed for the term of this Contract.
- (c) Interest will be calculated on a daily basis by applying the Daily Percentage Rate to the unpaid daily balance under this Contract. Interest accrues daily from the date the Loan starts.
- (d) The Loan starts on the day any part of the Loan is provided to the Debtor.

How is interest charged?

- (e) Interest will be charged monthly in arrears against the Debtor's Account on each Interest Charge Date.
- (f) Interest can also be charged by RACF against the Debtor's Account immediately before:

 - (ii) the Total Amount Owing under this Contract becomes due under clause 22.

- (g) Each time interest is charged, the period covered by the interest charges will include all days (for which interest has not previously been debited) up to and including the day before the Interest Charge Date.

- (i) If the Interest Charge Date is, or a repayment is due to be made, on a day which is not a Business Day, interest will be charge, or the repayment will be due on, the next Business Day. Repayments must be made by 5.00pm on a Business Day.
- (j) Interest charged to the Debtor's Account will become part of the Account Balance on which interest charges are calculated.

 - (viii) all costs incurred by RACF in complying with an Amendment Demand by the Debtor (except to the extent prohibited by Law).

- (b) The Debtor does not have to pay RACF (or reimburse RACF) for any fees, charges and costs under this Contract which arises from negligence, fraud, wilful misconduct or mistake by RACF or its officers, employees, contractors or agents.
- (c) The fees, charges and costs that are not included in the Amount of Credit will be debited to the Debtor's Account on or after the date RACF pays them or the date they become due or payable by the Debtor or RACF (whichever is earlier). RACF does not need to notify the Debtor before debiting the Debtor's Account.
- (d) If the Debtor does not make a repayment on time, and the repayment remains in arrears for 7 consecutive days or longer, RACF may charge the Default Fee specified in the Schedule. The Default Fee is a reasonable estimate of RACF's reasonable administrative costs in respect of attending to the missed repayment.
- (e) A monthly account keeping fee may be payable to RACF. This fee is payable monthly on the date of each repayment as specified in the Schedule. The amount of the fee is specified in the Schedule.
- (f) An early termination fee may be payable to RACF. Refer to Section 9 Prepayments and Early Termination of this Contract for information regarding the applicable early termination fees.

7. Repayments

- (a) The Debtor must pay to RACF the following:
 - (i) the Loan and interest charges by the repayments set out in the Schedule;

- (ii) the Account Balance on the date the final repayment is due;
 - (iii) all other amounts payable under this Contract at the time(s) set out in this Contract;
- (b) Payments received by RACF will not be treated as made until actually credited in clear funds to the Debtor's Account.
- (c) Any payment that is not received by RACF in cleared funds shall be regarded as conditional only and will not be regarded as payment until it is cleared.
- (d) All payments must be paid to RACF by electronic funds transfer at its Principal Place of Business or such other address as RACF may from time to time nominate in writing to the Debtor without any deduction, set-off or counterclaim. Unless paid by bank authority or direct debit authority, each payment must be accompanied by details identifying the Loan.

8. Application of Payments

- (a) All payments must be free and clear of exchange or any government charges, stamp duty, charges or other duties on receipts. RACF may in its absolute discretion debit the Debtor's Account with government duties on receipts or deduct any such duty paid or payable by RACF from the amount of any payment. The balance of the payment nett such deduction will be applied firstly, to any enforcement expenses unpaid, secondly, to interest charges and, thirdly, the unpaid balance of the Loan.
- (b) If the Debtor owes RACF money under any other contract and the Debtor makes a payment to RACF which is insufficient to satisfy the repayment requirements of each contract, then:
 - (i) the Debtor may specify in writing to RACF which contract or contracts and in which proportions the payment is to be applied;
 - (ii) if the Debtor does not make a specification to RACF, RACF may provide a notice to the Debtor and allow a reasonable time for the Debtor to specify which contract or contracts and in which proportions the payment is to be applied.

However, RACF can give the Debtor a shorter notice, or no notice at all if it is reasonable for RACF to act to manage a material and immediate risk to RACF.

9. Prepayments and Early Termination

- (a) The Debtor may repay the whole or any part of the Account Balance at any time before it is due.
- (b) Any prepayment will not reduce the amount of future repayments due (except for the last one) but may reduce the number of future repayments due.

- (c) An early termination fee will apply to this Contract where the Loan is repaid in full within 24 months of first draw down of the Loan. The early termination fee is the amount specified in the Schedule.
- (d) The early termination fee will be payable at the time this Contract ends. The early termination fee is a reasonable estimate of RACF's reasonable administrative costs in respect of such a termination or prepayment.
- (e) The early termination fee is not payable when:
 - (i) this Contract ends as a result of a refinancing provided by RACF;
 - (ii) the Loan is repaid wholly from proceeds of money received from an insurance Claim in relation to the Collateral; or
 - (iii) otherwise agreed by RACF.

- (b) There is no agreement to defer attachment to a later time than specified in clause 12(a).

13. Title Documents

- (a) Where Title Documents for the Collateral exist:
 - (i) the Debtor must deliver and leave them with RACF unless otherwise agreed by RACF; and

14. Representations and Warranties

- (a) The Debtor represents and warrants to RACF that:
 - (i) the Debtor has good title to the Collateral or will obtain good title to the Collateral upon RACF advancing the Loan to the Debtor;

 - (iii) the Debtor has not breached any Law or any existing Encumbrance which may have a Material Adverse Effect;

 - (ix) the Debtor has not granted Possession or control over the Collateral to any person other than RACF; and
 - (x) the Debtor benefits by signing this Contract.
- (b) The representations and warranties in clause 14(a) are taken to be repeated (by reference to the then current circumstances) on each date from the date of this Contract until the date on which the Total Amount Owing has been paid in full and all the Debtor's obligations under this Contract have been discharged in full.

15. Possession

Notwithstanding the Security, while the Total Amount Owing remains outstanding, the Debtor may keep Possession of the Collateral but that Possession is at all times subject to the other terms and conditions of this Contract.

16. Borrower's general undertakings

- (a) Until the Total Amount Owing is repaid in full and the Security discharged, the Debtor must:
- (i) comply with all Laws at any time in force and all mandatory requirements of any Government Agency;

- (p) promptly supply RACF with all necessary information to register any Financing Statement, Financing Change Statement or notice in relation to the Collateral and this Contract and ensure that the Security has priority over all other Security Interests with respect to the Collateral.

18. Things the Debtor must not do in relation to the Collateral

Until the Total Amount Owing has been repaid in full and the Security discharged, the Debtor must not without first obtaining RACF's consent, which consent RACF will not unreasonably withhold:

- (a) sell, assign, lease, hire, dispose of, or part with Possession of the Collateral;

- (a) must keep the Collateral insured as required by Law and against all risks against which insurance is usually taken in relation to the Collateral. The terms of each insurance policy and the insurer must be acceptable to RACF and RACF's interest in the Collateral must be noted on any insurance policy over the Collateral;

- (e) upon receipt of any money in payment of a Claim or on cancellation of any insurance policy the Debtor must either use the money to repair the damage to the Collateral or pay the money to RACF to reduce the Account Balance (but the Debtor must also repair the Collateral). Unless the Debtor and RACF agree otherwise, any such payment will be regarded as a prepayment under clause 9 and not a payment in satisfaction of payment obligations under clause 7;
- (f) may consent to RACF making, negotiating and settling Claims in relation to the insurance of the Collateral. However, the Debtor authorises RACF, acting reasonably, to make, negotiate and settle Claims in relation to the insurance of the Collateral in order to manage a material and immediate risk to RACF's legitimate business interests (without requiring further consent from the Debtor). The Debtor must accept any settlement RACF reaches with the insurer of the Collateral;
- (g) upon making a Claim pursuant to an insurance policy in relation to the Collateral which is refused by the insurer, must promptly tell RACF of the refusal and, if requested by RACF, grant and transfer to RACF the Debtor's rights to take further action against the insurer in relation to the Claim;
- (h) agrees that while an Event of Default is continuing, RACF is entitled to the proceeds of money received from an insurance Claim in relation to the Collateral. Unless the Debtor and RACF agree otherwise, any such payment will be regarded as a prepayment under clause 9 and not a payment in satisfaction of payment obligations under clause 7.

RACF acknowledges and confirms that it is not entitled to any amount which is in excess of the Account Balance at the time of receipt of the proceeds from the insurance Claim; and

- (i) agrees that RACF may use the proceeds paid by an insurer pursuant to an insurance Claim to:
- (i) repair the Collateral; or
- (ii) repay the Account Balance at that time. Unless the Debtor and RACF agree otherwise, any such payment will be regarded as a prepayment under clause 9 and not a payment in satisfaction of payment obligations under clause 7.

20. Commissions (other than for consumer credit insurance) paid to, or by, RACF

RACF may pay or receive a commission in connection with the introduction of credit business or business financed by this Contract. If RACF is to receive a commission the details of the commission are set out in the Schedule.

21. Mortgaged goods insurance and consumer credit insurance

If the Debtor uses any part of the Loan to pay for consumer credit insurance or mortgaged goods insurance, details of such payments are set out in the Schedule.

 - (iv) without the consent of RACF, the Debtor creates or attempts to create an Encumbrance which might rank in priority to or equally with the Security;
 - (v) the Debtor or any person makes a representation or gives RACF information in relation to this Contract or the Security which is incorrect or misleading in a material respect and in circumstances that may have a Material Adverse Effect;

- (vi) RACF believes on reasonable grounds that it was induced to enter into this Contract by fraud;
- (vii) an Insolvency Event occurs with respect to the Debtor;
- (viii) the Debtor is declared mentally ill or dies;
- (ix) an execution is issued against the Debtor or the Collateral and it is not satisfied within 21 days; or
- (x) RACF believes on reasonable grounds that the Debtor has removed or disposed of the Collateral without the permission of RACF, or the Debtor intends to do so.

What can happen after an Event of Default

- (b) Before RACF acts on a default, RACF will allow the Debtor a reasonable time (being not less than 30 days) to remedy the Event of Default if it is able to be remedied, and notify the Debtor of this time period. However, RACF can give the Debtor a shorter notice, or no notice at all if it is reasonable for RACF to act to manage a material and immediate risk relating to:
 - (i) the Event of Default;
 - (ii) the Debtor's particular circumstances; and
 - (iii) the value of the Collateral.
- (c) If the Debtor remedies the Event of Default during the period set out in RACF's notice (if any), and no other Event of Default has occurred, then RACF will not exercise its default rights after the Debtor remedies it.

Default Rights

- (d) If an Event of Default occurs, subject to the Law and any applicable remedy period RACF provides the Debtor (if any), RACF may declare the Total Amount Owed is due and payable and demand the Debtor repays the Total Amount Owed.
- (e) RACF may also do any one or more of the following (in addition to anything the Law allows RACF to do) if the Debtor is required to provide the Security over the Collateral:
 - (i) take or enter into possession of the Collateral to the exclusion of the Debtor;
 - (ii) remove personal possessions from the Collateral and either abandon them or store them without being liable to the Debtor. If RACF stores them and the Debtor does not reclaim the possessions within one month after RACF notifies the Debtor that RACF intends to sell them, RACF may dispose of them and use the proceeds towards paying the Total Amount Owed;

- (iii) sell or concur in selling (whether or not RACF has taken Possession of the Collateral) any part of the Collateral:
 - (a) either by public auction, private treaty, option or tender;
 - (b) for cash or on credit;
 - (c) with power to allow the whole or any part of the purchase money to remain owing on a mortgage of the property sold, on any other Encumbrance or without any Encumbrance;
 - (d) subject to any conditions RACF chooses;
- (iv) enter any place RACF believes the Collateral is held or stored to do any of the above provided that any entry to premises is in accordance with the Law;
- (v) in the Debtor's name or otherwise, secure the payment or repayment of any financial indebtedness relating to any Encumbrance over the Collateral and irrespective of whether that Encumbrance will rank in priority to, equally with, or after this Contract or the Security;
- (vi) exercise any right which the Law permits RACF to do; and
- (vii) appoint one or more Receivers to do any of these things.

Default Interest Payable

- (f) If the Debtor does not pay any amount due by the Debtor under this Contract on time, the Debtor must pay interest at the Default Rate (calculated on a daily basis) on the amount in default for every day that the default continues. The Debtor has to pay the Default Rate set out in the Schedule. The Default Rate is a rate calculated to be a reasonable estimate of RAC Finance's reasonable loss and/or administrative costs in respect of the overdue amount.

23. Enforcement expenses

- (a) Enforcement expenses may become payable under this Contract if an Event of Default occurs. The Debtor must pay to RACF all enforcement expenses reasonably incurred by RACF as a result of any Event of Default.
- (b) If the Debtor returns the Collateral to RACF and requests RACF, in writing, to sell the Collateral, the Debtor agrees that, for the purpose of treating the expenses incurred by RACF in selling the Collateral as enforcement expenses, the Debtor is in default.
- (c) The Debtor authorises RACF to debit enforcement expenses to the Debtor's Account and acknowledges and confirms that the enforcement expenses will become immediately due and payable when debited to the Debtor's Account.

24. Application of Proceeds from enforcement of Security

Notwithstanding any other clause of this Contract, any amount, personal property or Proceeds of the Collateral received by or on behalf of RACF as a result of RACF enforcing its Security shall be applied by RACF in the order for application required by the PPSA.

25. Contracting out of rights

- (a) The parties agree that to the maximum extent permitted by the PPSA, all provisions of the PPSA Act listed in section 115(1) and 115(7) of the PPSA except section 117 and 143(1) are excluded in full and will not apply to this Contract, or the Security Interest it creates.
- (b) RACF and the Debtor agree that to the maximum extent permitted by the PPSA, the information of the kind mentioned in section 275(1) of the PPSA is confidential and is therefore not to be disclosed by either of them in response to a request made under section 275(1) of the PPSA, except to the extent determined by RACF or required by sections 275(7) of the PPSA.
- (c) The Debtor agrees to waive the Debtor's rights in relation to the following:
 - (i) to receive a verification statement or notice in relation to registration events from RACF under section 157 of the PPSA; and
 - (ii) give a notice objecting to a notice by RACF to dispose of or retain the Collateral under section 137 of the PPSA.
- (d) RACF is not required to give a notice required under the provisions of the PPSA (referred to in section 144 of the PPSA) unless the notice is required by the PPSA and cannot be excluded.

26. RACF's actions

- (a) The Debtor authorises RACF to:
 - (i) file all Financing Statements and other documents; and
 - (ii) do all things (including completing and adding schedules to this Contract for further identifying the Collateral), which are necessary to Perfect and continue RACF's Security, to protect and preserve the Collateral and to realise RACF's Security.
- (b) If RACF receives a request for information under the PPSA, the Debtor must reimburse RACF on demand for any costs or expenses incurred by RACF in complying with the request for information.

27. Discharge of Security

- (a) Once the Debtor, or anyone on behalf of the Debtor, has paid to RACF the Total Amount Owed and the Debtor has performed all of the Debtor's other obligations under this Contract, RACF will, at the request and cost of the Debtor, release and discharge the Collateral from this Contract and the Security.
- (b) Subject to clause 27(c), any discharge or Financing Change Statement required will be prepared by RACF at the request and expense of the Debtor.
- (c) Except to the extent prohibited by Law, the Debtor shall be liable for RACF's reasonable costs and expenses of complying with an Amendment Demand by the Debtor or anyone else with respect to the Collateral.

28. No Assignment of rights by the Debtor

The Debtor must not assign its rights under this Contract without obtaining RACF's prior written consent.

29. Debtor's obligation to notify

The Debtor must notify RACF in writing of:

- (a) every occurrence of an Event of Default as soon as the Debtor becomes aware of it;
- (b) every change, event or circumstances which would cause any representation, warranty or undertaking in this Contract to be false or misleading in any way, as soon as the Debtor becomes aware of it; and
- (c) the particulars and location of any Collateral (including Serial Numbers and changes to Serial Numbers) on request by RACF or promptly upon the particulars of the Collateral changing.

30. Changes to this Contract

- (a) RACF may, acting reasonably and to the extent reasonably necessary to protect RACF's legitimate business interests, change this Contract. For example, RACF may change the fees under this Contract or charges due to increases in RACF's costs, regulatory changes or changes in market conditions.
- (b) RACF will inform the Debtor of any changes to this contract as soon as reasonably practicable or, where the change is unfavourable to the Debtor, by providing the Debtor with notice of the change in accordance with the following table.

Type of change	Minimum notice period
Changing the amount, frequency of and time for payment of fees and charges set out in the Schedule or manner of fees and charges payable to RACF	30 days or shorter if the change is not adverse to the Debtor
Impose new fees or charges	30 days or shorter if the change is not adverse to the Debtor
Introducing or changing any government fee or charge	30 days or such period as may be required by law or in order to notify RACF of the changed or new charge or tax (unless published by a government, Government Agency or representative body)

- (c) If RACF notifies the Debtor of a change to the terms of this Contract, the Debtor may end this Contract by providing RACF notice of its intention to end this Contract. Upon providing RACF such notice, the Debtor must pay the Total Amount Owing.
- (d) The Total Amount Owing may include the early termination fee set out in clause 9.

31. Address of the Debtor

- (a) If there is more than one Debtor, one Debtor may be nominated by the other(s) to receive notices and other documents on behalf of all of them.
- (b) The Debtor must tell RACF as soon as possible of any change of address of any Debtor.

32. Notices to RACF

If the Debtor needs to give RACF a notice in relation to this Contract, then the Debtor can do so by leaving it at or sending it by post or email to:

- (a) RACF's address set out in the Schedule; or
- (b) RACF's registered office; or
- (c) any other place that RACF notifies the Debtor in writing.

33. Notices to the Debtor

Unless otherwise stated in this Contract, if RACF needs to give the Debtor notice pursuant to this Contract then RACF can do so by:

- (a) delivering the Notice to the Debtor personally;
- (b) leaving it at, or sending it by post or email to the Debtor's residential or postal address last known to RACF.

34. Copy of this Contract and Financing Statement

The Debtor:

- (a) acknowledges receiving a copy of this Contract; and
- (b) waives all rights to receive a copy of any Financing Statement, Financing Change Statement or verification statement filed in respect of this Contract.

35. Joint and Several Liability

If the Debtor is comprised of two or more persons, the Debtor's obligations as Debtors are both joint (meaning that RACF can take action against any two or more of the Debtors) and several (meaning that RACF can take action against any one of the Debtors).

36. Governing Law

The laws of the State or Territory where the Debtor resides govern this Contract. Where there is more than one Debtor and they do not all reside in the same State or Territory the laws of the State or Territory in which RACF first lends the Amount of Credit under this Contract will govern this Contract. The Debtor and RACF submit to the nonexclusive jurisdiction of the courts of that State or Territory.

37. Waiver

If RACF grants the Debtor time or any indulgence in relation to a breach of this Contract and/or the Mortgage, RACF's rights in relation to any continuing, recurring or subsequent breach by the Debtor will not be affected in any way, except to the extent indicated by RACF in writing.

38. No Merger

The Debtor's obligations under this Contract and the Security are supplementary to, and not in substitution for, any other present or future Security Interest, right, guarantee, agreement, judgment or order held or obtained by RACF and they are not to be merged in, or prejudiced by, any such Security Interest, right, guarantee, agreement, judgment or order.

39. Severability

- (a) A clause or part of a clause of this Contract that is illegal or unenforceable may be severed from this Contract and the remaining clauses or parts of the clause of this Contract will continue in full force.
- (b) If any provision is or becomes illegal, unenforceable or invalid in any jurisdiction, it is to be treated as being severed from this Contract in the relevant jurisdiction, but the rest of this Contract will not be affected.

40. Date of Contract

This Contract takes effect on the date that RACF accepts the Offer.

Information Statement

Things you should know about your proposed credit contract

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, your credit provider's external dispute resolution scheme, or get legal advice.

The Contract

1. How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before:

- » your contract is entered into; or
- » you make an offer to enter into the contract; whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep.

Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply, if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy:

- » within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- » otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as:

- » you have not obtained any credit under the contract; or
- » a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example:

- » you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- » you get 20 days advance written notice for:
 - (i) a change in the way in which interest is calculated; or
 - (ii) a change in credit fees and charges; or
 - (iii) any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider – us. Discuss the matter and see if you can come to some arrangement. If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Your credit provider's external dispute resolution provider is Australian Financial Complaints Authority (Provider Number: 14892) and can be contacted at

Phone: 1800 931 678

Web: www.afca.org.au

Email: info@afca.org.au

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

Insurance

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out further insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by you credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

Mortgages

15. If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

16. Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if the credit provider has previously given you a copy of the mortgage document to keep.

17. Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or can not do with the property.

18. What can I do if I find that I can't afford my repayments and there is a Mortgage over property?

See the answers to questions 22 and 23. Otherwise you may:

- » if the mortgaged property is goods - give the property back to your credit provider, together with a letter saying you want the credit provider to sell the property for you;
- » sell the property, but only if your credit provider gives permission first; or
- » give the property to someone who may then take over the repayments, but only if your credit provider gives permission first.

If your credit provider won't give permission, you can contact their external dispute resolution scheme for help.

If you have a guarantor, talk to the guarantor who may be able to help you.

You should understand that you may owe money to your credit provider even after the mortgaged property is sold.

19. Can my credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

20. If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes, you have 7 days after receiving your credit provider's request to tell your credit provider. If you do not have the goods you must give your credit provider all the information you have so they can be traced.

21. When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Your credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

General

22. What do I do if I can not make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways:

- » to extend the term of the contract and reduce payments; or
- » to extend the term of your contract and delay payments for a set time; or
- » to simply delay payments for a set time.

23. If my credit provider and I can not agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review the decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set below in question 25.

24. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

25. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING YOUR CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION SCHEME.
